

**APRIL****2010 PRACTICE FIELD SCHEDULE****APRIL**

1) Depending on the number of requests received on different nights, fields are either single or double booked.

In April due to high number of practice requests and limited fields, Friday practices at TB and fields 8 & 9 are triple boo

2) If you want to make a change please submit your request through the on-line practice request form.

Complete your team information and use the comment section to indicate the change you would like to make.

Please note - Friday is fully booked at all fields. It is very unlikely any team will be able to change a practice to Friday night.
